Chapter III

IL NUOVO CAPITOLO

Il nuovo capitolo prende ispirazione da due eccellenze italiane, l'arte e la moda.

Sfogliando le pagine della nuova collezione vi troverete ad ammirare delicati tessuti sapientemente accoppiati che danno origine a viste di isole mediterranee e caldi tramonti, opere d'arte scomposte e rivisitate per diventare ornamenti murali. Dipinti raffiguranti la natura vi accompagneranno in lunghe passeggiate tra campi assolati, antiche ville, vedute di deserti e paesaggi esotici.

Una collezione eclettica, audace ed elegante allo stesso tempo, che si muove attraverso sofisticate palette per offrire design eterogenei che abbracciano gli stili più svariati.

Il terzo capitolo vuole raccontare una storia coraggiosa, una storia tutta italiana.

THE NEW CHAPTER

The new chapter takes inspiration from two Italian excellences, art and fashion.

Leafing through the pages of the new collection you will find yourself admiring delicate fabrics expertly matched that give rise to views of Mediterranean islands and warm sunsets, pieces of art broken down and revisited to become wall ornaments. Paintings depicting nature accompany you on long walks through sunny fields, ancient villas, views of deserts and exotic landscapes.

An eclectic collection, bold and elegant at the same time, which ranges through sophisticated palette to offer heterogeneous designs that embrace the most varied styles.

The third chapter wants to tell a courageous story, an Italian story.

EL NUEVO CAPÍTULO

El nuevo capítulo se inspira en dos excelencias italianas: el arte y la moda.

Hojeando las páginas de la nueva colección, se encontrará admirando tejidos delicados que se combinan de manera experta que dan lugar a vistas de islas mediterráneas y cálidos atardeceres, obras de arte reinterpretadas para convertirse en adornos murales. Pinturas que representan la naturaleza le acompañarán en largos paseos por campos soleados, villas antiguas, vistas de desiertos y paisajes exóticos.

Una colección ecléctica, atrevida y elegante en el mismo tiempo, que se mueve por sofisticadas paletas para ofrecer diseños heterogéneos que encuentran los estilos más variados.

El tercer capítulo quiere contar una historia valiente, una historia totalmente italiana.

LE NOUVEAU CHAPITRE

Le nouveau chapitre s'inspire de deux excellences italiennes, l'art et la mode.

En feuilletant les pages de la nouvelle collection, vous vous retrouverez à admirer des tissus délicats qui sont savamment couplés et qui donnent lieu à des vues d'îles méditerranéennes et d'agréable couchers de soleil, des œuvres d'art décomposées et revisitées pour devenir des ornements muraux. Des peintures représentant la nature, vous accompagneront lors de longues promenades à travers des champs ensoleillés, anciennes villas, vues sur les déserts et paysages exotiques.

Une collection éclectique, audacieuse et élégante au même temps, qui se déplace à travers des palettes sophistiquées pour offrir des designs hétérogènes qui embrassent les styles les plus variés.

Le troisième chapitre veut raconter une histoire courageuse, une histoire entièrement italienne.

Chapter II

LA SECONDA COLLEZIONE

Il Capitolo II narra di un ideale viaggio intorno al mondo. Materiali, texture, tessuti ed immagini, che raccontano leggende e scene di vita vissuta, vengono riproposti come rievocazioni dei paesi visitati.

I profumi speziati della calda India, stampe e tessuti tipici del sofisticato Giappone, scorci del Bel Paese, i colonnati dell'assolata Grecia, il confine tra la California e il Messico, le dune del Sahara e la calda Africa, giardini segreti, sculture e dipinti.

Polaroid impresse nella mente riprendono vita in questa collezione, ricordi che diventano opere d'arte, opere d'arte che diventano design murali.

Materiali, immagini e colori sapientemente combinati e reinterpretati per fondersi con l'ambiente che li circonda, grazie alla loro potenzialità narrativa, guidano i professionisti come i nuovi esploratori di questo viaggio.

Le palette colore definiscono infinite possibili rotte, mediante le quali, navigare fra le pagine del nostro grande album del wallcovering. Una raccolta da utilizzare per impreziosire e rendere unici gli ambienti della nostra vita.

THE SECOND COLLECTION

Chapter II tells of an ideal journey around the world. Materials, textures, fabrics and images tell legends and real-life scenes. They are re-proposed as re-enactments of the countries visited.

Warm spicy scents of India, fine prints and fabrics typical of Japan, glimpses of Italy, sunny Greece colonnades, the border between California and Mexico, Sahara dunes and warm Africa, secret gardens, sculptures and paintings.

In this collection the Polaroids imprinted in the mind are revived, memories become art works, art works become murals.

Materials, images and colours wisely combined and reinterpreted to blend with the surrounding space, thanks to their narrative potential, guide professionals as new explorers on this journey.

The colour palettes define infinite possible paths through which navigate the pages of our great wallcovering album. A collection to be used to embellish and make unique the spaces of our life.

LA SEGUNDA COLECCIÓN

El capítulo II habla de un viaje ideal alrededor del mundo. Materiales, texturas, tejidos e imágenes que cuentan leyendas y escenas de la vida real, se vuelven a proponer como recreaciones de los países visitados.

Los aromas especiados de la cálida India, impresiones y tejidos típicos del sofisticado Japón, vistas de la hermosa Italia, las columnatas de la soleada Grecia, la frontera entre California y México, las dunas del Sahara y la cálida África, jardines secretos, esculturas y pinturas.

Polaroids impresas en la mente cobran vida en esta colección, recuerdos que se convierten en obras de arte, obras que se convierten en diseños murales.

Materiales, imágenes y colores sabiamente combinados y reinterpretados para fundirse con el entorno que les rodea, gracias a su potencial narrativo, guían a los profesionales como nuevos exploradores en este viaje.

Las paletas de colores definen infinitas rutas por las que es posible navegar entre las páginas de nuestro gran álbum de revestimiento de paredes. Una colección para embellecer y hacer únicos los ambientes de nuestra vida.

LA DEUXIÈME COLLECTION

Le chapitre II raconte un voyage idéal autour du monde entier.

Les matières, les textures, les tissus et les images, qui racontent des légendes et des scènes de la vie réelle, sont reproposés comme reconstitution des pays visités.

Les parfums épicés de la chaude Inde, les imprimés et les tissus typiques et sophistiqué du Japon, les aperçus du Bel Paese (Italie), les colonnades de la Grèce ensoleillée, la frontière entre la Californie et le Mexique, les dunes du Sahara et la chaude Afrique, les jardins secrets, les sculptures et les peintures.

Polaroids imprimés dans la tête reprennent vie dans cette collection, des souvenirs qui deviennent des œuvres d'art, des œuvres d'art qui deviennent des dessins muraux.

Matériaux, images et couleurs judicieusement combinés et réinterprétés pour se fondre dans l'environnement qui les entoure, grâce à leur potentiel narratif, ils guident les professionnels comme de nouveaux explorateurs dans ce voyage.

Les palettes de couleurs définissent une infinité d'itinéraires possibles, à travers lesquels peuvent naviguer entre les pages de notre grand album de revêtement mural. Une collection à utiliser pour enrichir et rendre uniques les environnements de notre vie.

KINOSERIE

UN VIAGGIO NELL'ANTICO ORIENTE

Nell'Europa del XVIII secolo prese piede l'interesse per tutto ciò che fosse esotico. L'utilizzo di immagini fantasiose ispirate ad un lontano Oriente e il tentativo di imitazione delle porcellane cinesi diedero vita alle Chinoiserie.

Nei design di questa piccola collezione è indiscutibile l'influenza che deriva da questo particolare periodo dell'arte europea, ne emerge però una vena contemporanea grazie all'interpretazione di soggetti, colori e stili.

UN VIAJE AL ANTIGUO ORIENTE

En la Europa del siglo XVIII se consolidó el interés por todo lo exótico. El uso de imágenes fantasiosas inspiradas en el Lejano Oriente y el intento de imitar la porcelana china dio vida a la Chinoiserie.

En los diseños de esta pequeña colección es indiscutible la influencia que deriva de esta particular época del arte europeo, sin embargo, emerge una vena contemporánea gracias a la interpretación de temas, colores y estilos.

A JOURNEY TO THE ANCIENT EAST

In the Europe of the eighteenth century, the interest in everything exotic took hold. The use of imaginative images inspired by the Far East and the imitation of Chinese porcelain gave birth to the Chinoiserie.

This collection shows the influence from this particular period of European art. However, a contemporary vein emerges thanks to the personal interpretation of subjects, colours and styles.

UN VOYAGE DANS L'ORIENT ANTIQUE

Dans l'Europe du XVIII^e siècle, l'intérêt pour tout ce qui est exotique s'est imposé. L'utilisation d'images imaginatives inspirées par l'Extrême-Orient et la tentative d'imiter la porcelaine chinoise a donné vie à la Chinoiserie.

L'influence dérivant de cette période particulière est indiscutable dans les dessins de cette petite collection de l'art européen, cependant, une veine contemporaine émerge grâce à l'interprétation des sujets, des couleurs et des styles.

FLORA

UN OMAGGIO ALLA NATURA

Un giorno di primavera, mentre Flora passeggiava per i campi, Zefiro la vide e se ne innamorò perdutamente. Decise così di rapirla e di prenderla in sposa. Come dimostrazione d'amore, concesse a Flora di regnare sui fiori dei giardini e dei campi. Dal canto suo, la dea offrì agli uomini una innumerevole varietà di fiori e il miele.

Da questa leggenda prende ispirazione questa capsule collection dove i fiori e la natura sono protagonisti indiscussi.

UN HOMENAJE A LA NATURALEZA

Un día de primavera, mientras Flora paseaba por los campos, Céfiro la vio y se enamoró perdidamente de ella. Así que decidió secuestrarla y casarse con ella. Como demostración de amor, permitió a Flora reinar sobre los jardines y los campos. De su lado, la diosa ofrece a los hombres una innumerable variedad de flores y miel.

Esta colección de cápsulas se inspira en esta leyenda donde los flores y la naturaleza son los protagonistas indiscutibles.

A TRIBUTE TO NATURE

One spring day, while Flora was walking through the fields, Zefiro saw her and fell madly in love with her. So he decided to kidnap and marry her. As a demonstration of love, he allowed Flora to reign over flowers of the gardens and fields. For her part, the goddess offered humans an innumerable variety of flowers and honey.

This capsule collection takes inspiration from this legend where flowers and nature are the undisputed protagonists.

UN HOMMAGE À LA NATURE

Un jour de printemps, alors que Flore se promenait dans les champs, Zéphyr la vit et en tomba éperdument amoureux. Il a donc décidé de l'enlever et de l'épouser. En signe d'amour, il laissa Flor régner sur les fleurs de jardin et alture de champs. De son côté, la déesse offrait aux hommes une variété innombrable de fleurs et de miel.

Cette collection capsule s'inspire de cette légende où les fleurs et la nature sont les protagonistes incontestés.
